KATHY MUNSON

Community Philanthropist

Carrie Hall and Kathy Munson are renowned business leaders and role models who have long championed women in Arizona. After years of working side-by-side to spotlight causes close to their hearts, they bring their shared passion, leadership, and deep roots in the Phoenix philanthropic community to Fresh Start's 30th Annual Gala.

"This year's Gala is more than a celebration of 30 years of impact—it marks the beginning of the next 30 as Fresh Start continues to transform lives and strengthen families across Arizona. We believe in Fresh Start's mission because it delivers lasting change, preparing women as a skilled workforce for our state's employers. Funds raised at the Gala are vital to making that transformation possible, and we are honored to help carry that torch forward. We are especially thrilled to celebrate Alicia Harrison as the 2026 Founders' Circle Honoree—a dazzling example of female leadership and a visionary that inspires us all."

Founders' Circle Honoree

ALICIA K. HARRISON

Community Philanthropist

Alicia's commitment to Fresh Start began on our Executive Board (2001-2011), where she played a key role in early fundraising for the Women's Resource Center. Her distinguished career in banking culminated in 2012 with her retirement as Executive Vice President of Wells Fargo's Southwest Regional Commercial Banking Office—an institution that continues to champion Fresh Start today. A visionary leader, Alicia has also served on the ASU Foundation, Greater Phoenix Economic Council, and most recently, Paradise Valley Country Club.

"I support Fresh Start because I believe all individuals can achieve their full potential when they have the tools to overcome obstacles. It is incredibly rewarding to be part of the transformative impact Fresh Start has on women, their families, and their futures."

Fresh Start™
EMPOWERING WOMEN TO SUCCEED

Our Mission is to provide access and resources that help women achieve self-sufficiency and use their strength to thrive.

THE NEED

Too many women face barriers that make self-sufficiency seem out of reach, ranging from low-wage jobs and limited education to a lack of support—all of which prevent them from achieving stability. Fresh Start provides the tools and resources women need to break cycles of poverty, achieve independence, and build brighter futures for their families.

A LEGACY OF IMPACT, A FUTURE OF POSSIBILITY

When women gain the skills to step into Arizona's fastest-growing careers, the return is powerful: families are lifted, employers gain talent, and our entire community grows stronger.

Patricia Baltazar came to Fresh Start at one of the lowest points in her life—recovering from a traumatic car accident and leaving a dead-end, low-paying job. Unsure of what her future could hold, she turned to Fresh Start.

After completing the Women in Finance program, she was hired by BMO bank, quickly promoted from teller to banker, and is now on the path to becoming a financial advisor.

IN HER WORDS

"My self-esteem was so low when I came to Fresh Start. I had hit rock bottom, but I took a chance on myself because I wanted my daughter to see me be strong and succeed. Fresh Start gave me hope. I learned how to have confidence. I was given the tools and knowledge to build a new career. I love my job, and the sky is the limit!"
