ABOUT FRESH START

Fresh Start's mission is to provide access and resources that help women achieve self-sufficiency and use their strength to thrive. Our ultimate vision is to create unlimited opportunities for women.

For over 30 years, Fresh Start has empowered more than 65,000 women in the Arizona community. These women face a variety of barriers hindering their ability to be personally or financially self-sufficient, including domestic violence, generational poverty, and unemployment.

Through our Impact Program, Fresh Start offers comprehensive programs, access to training and education, as well as employment and career services to help women reach their personal and professional goals.

Your Sponsorship Helps Women Thrive

Fresh Start provides programs and resources that empower women to achieve goals and behavioral changes necessary to reach self-sufficiency.

Your sponsorship dollars will help women transform their lives through education, skills training, and personalized support. **The Bridge to Self-Sufficiency**, pictured below, provides the framework for Fresh Start's Impact Program, a **comprehensive strategy tailored to help women overcome barriers**. Five key pillars make up a woman's journey across the Bridge as a person is far more likely to achieve economic independence if they have a strong foundation in all areas of their life.
